

## Horsell Church of England Junior School

Dear Parents/Carers,

### **Re: Cookery Sessions**

Your child's class will be cooking in the next academic year, 2019-2020. **Parents whose children will be cooking in the first half of the autumn term will soon receive a parentmail notifying them of the dates.**

**Can ALL parents please log onto your child's Wisepay account to pay for the skills sessions as soon as possible as a percentage of this goes towards the cost of the ingredients. Wisepay will also ask you to advise us of any food allergies that we need to be aware of. If your child is not allergic to anything then please write 'None' in the allergy box.**

Your child will cook for between 5 and 6 sessions but extra weeks may be class based learning about food and nutrition.

These cookery sessions cannot go ahead without adult helpers and we really appreciate your support. Please try to volunteer, even if it is for just one session. If possible, please volunteer on any day to help out in groups. Lessons start at 1.10pm and continue until 3.10pm; if you need to leave at 2.50pm to collect younger siblings that is absolutely fine, just let me know! Grandparents and au pairs are most welcome too!

**If you are able to volunteer, please email Mrs Spiller directly on [s.spiller@horsell-junior.surrey.sch.uk](mailto:s.spiller@horsell-junior.surrey.sch.uk)**

**Please could your child bring a container to school on their cooking day to take their recipe home in. We do not have any to lend out.**

If you have any questions please email Mrs Spiller or speak to a member of the office staff. We hope your child enjoys the sessions and that you enjoy tasting their creations!
