

## WEEKLY FOCUS

Friday 10th July 2020

Dear Parents and Carers:

I can't believe we are now heading to the end of term. End of year reports have been posted and should be with you very shortly.

As many of you know, there are a few staffing changes next year. Mrs Collett and Mrs Bayliss-Hare are retiring, Mrs Burrows, who has provided invaluable EAL support for some of our children (as well as teaching a Year 5 bubble for the past few weeks!) will also be leaving us at the end of this term. Mrs Phillips, who has supported the office and worked as a lunchtime supervisor will also be leaving to spend more time with her family. Mrs Bruckshaw, one of our most long-standing members of staff is retiring at the end of this term, although we hope to welcome her back from time to time to help us with our garden!

We are also welcoming one or two new faces and the staffing structure of the school is changing. From September, the Senior Leadership of the school will consist of myself, Mrs Brincombe (Deputy Head), Ms Ash (Assistant Head with responsibility of SEND, Inclusion and Safeguarding), Mr Penstone (Assistant Head) and Mrs Benton, who is our Bursar. Mr Penstone will also be taking over as Head of Year Six. Three new Heads of Year roles have been created: Mr Dunsford will be Head of Year 3, Miss Freed will be Head of Year 4 and Mrs Westgate will be the new Head of Year 5. You will find out your child's new class when you receive your report.

## Year 6 Pupil Perspective

Since we've come back to school, we have had lots of fun lessons with Miss Chadburn and our bubble. We have been reflecting on our time at Horsell Junior School and writing our memories. We also wrote a script and filmed our short play for the Year Six Talent Show which we did as a bubble. We have also been recapping our maths and English skills.

Everybody has enjoyed learning and we've been thinking about safety as we've been working through our Junior Citizen booklet. We have been learning our Leaver's Song and preparing for our transition to high school.

We are all very excited to be moving up to the high school but we will miss all the wonderful caring teachers, staff and pupils that have helped us since we arrived in Year Three.

## Horsell's Got Talent

Parents, staff and children were treated this morning to a wonderful year 6 video performance of 'Horsell's Got Talent'. Year 6 were, sadly, unable to put on their usual production this year - which was very disappointing for them. The making of the video gave them the opportunity to show off the huge variety of talent we have in our school, and the end result was fantastic. The children who took part should be very proud of themselves. Thank you to them, and to all the staff and parents who helped with the children's performances - and an especially big thank you to Mr. Penstone for putting it all together.
