

HORSELL
C OF E JUNIOR SCHOOL

Our School Value this half term is **JUSTICE**

Our new school vision statement

At Horsell C of E Junior School we believe that we are all 'made in the image of God'. Through a commitment to **Christian values** and **high academic aspirations**, we strive to provide a **rich** and **inclusive** education for every member of our school **family**.

School Values Newsletter: No. 3

Our value for this half term is **justice**, and within that we are also thinking about truthfulness, courage and equality.

Christian justice is based on the belief that if we treat each other the way that Jesus taught us to, we will be doing his work here on Earth and creating a just society.

During this half term we will be exploring the idea of justice through the theme of fair trade, fair play and respect. In collective worship, we will also be exploring the value through the bible stories of Daniel in the lion's den and the story of Zaccheus.

Children will explore how our school rules and class contract keep them safe and create a good environment in which to learn. Following on from our previous value of hope, we will continue to look at goal setting and how these goals can be achieved through small steps.

At the end of the half term, teachers will select a child from each class who they feel has particularly demonstrated the value, and they will be invited for a celebratory 'afternoon tea' with Mrs Wand.
