11th June 2021

Dear Parents and Carers

Classwork on SEESAW

As you know, during the pandemic teachers have been loading daily classwork onto SEESAW.

We are now in the fortunate position of having very few COVID cases in this area and it is currently not necessary to continue to upload classwork onto SEESAW in this way. From this week, classwork will no longer be added onto SEESAW. Instead, teachers will upload classwork only when they know a child in their class is self-isolating.

Homework will continue to be set using SEESAW, so children should continue to access the online platform in the usual way.

Yours sincerely

Mrs C M Wand

Headteacher
