We are also very excited to be able to mention that we have retained the Sports Gold Mark. Well done to everybody involved these are outstanding achievements.

It is not only sports where the children have represented the school so well. There have been many music and drama events this year. The choir represent the school with beautiful quality to their singing particularly their articulation and harmony. The choir continue to perform right up to the very end of the year with a combined performance with other children and adult choirs from across the area in a celebration of music at Brooklands Museum on the 14th July.

There have been excellent performances during our class assemblies and Performance Art Evening. The Year 6 production this year was a wonderful interpretation of Macbeth, full of excellent singing, dancing and dialogue. They all worked so hard both on stage and off to produce a polished performance, well done to all our performers.

Our orchestra have entertained us at public performances as well as performing during PTA events. This is a great opportunity for the children who are learning an instrument to play as part of a group and put their individual skills together to great effect. Please encourage your child to join the orchestra next year.

I would like to thank all the children who have represented the school in any event or activity; they have all represented the school so well. I am very proud of the way the children have always strived to achieve their best whether in sport, music or academic events. They have shown resilience and a willingness to have ago, they will listen and put advice into practice; as a result we have had a successful year.

I would also like to say a huge thank you to all the parents who have helped in supporting our children's achievements by giving up their valuable time to transport children to different events, cheering the children on, helping to coach, referee, provide props, help practice words and so many other activities; your support has been a pivotal element of our success. Thank you.
