

Dear Parents and Carers:

'Let all that I am praise the LORD; may I never forget the good things he does for me.' Psalm 103:2

Well, it's certainly been an eventful week! The children and staff coped admirably in the heat but I have to say it's been much more pleasant in school since the temperature dropped.

The children in Year 6 have had a lovely send off. A particular highlight was the Year 6 fete when a variety of weird and wonderful stalls helped us to raise money for charity, and the PTA-led Year 6 leavers' party, which all of our Year 6 children thoroughly enjoyed.

Looking back on the year, it certainly has been busy! We were very lucky to be able to send the children on a variety of trips, including three residentials, as well as a large number of in-school workshops. We've had success in various sporting competitions, and all of those children competing should feel proud, not only of their achievements, but also in how they behaved and represented our school values. Our musicians have also thrived, and the school's music concert was a real highlight of our cultural calendar. Playtimes have also improved, with the children experiencing different activities and opportunities throughout the year.

The children have all worked hard on their learning this year. As a staff, we were aware of the missed learning from COVID, and used our catch up funding for some additional tutoring, as well as employing Mrs Christie as a Numbers Count teacher. We have introduced a new way of teaching writing, and we are seeing the results of this new approach.

The early part of the year was particularly impacted by COVID and I would like to take this opportunity to thank our parents for their support over what was an extremely difficult period. I would also like to thank our staff who worked very hard to keep the school running despite extensive staff and pupil absence. I think I speak for all of us in school when I say I never want to see a temporary timetable ever again! I hope, and pray, that the worst of COVID is behind us and that the normality that we have enjoyed over the past term continues into next year.

I hope that you all have a restful – and enjoyable – summer with your children, and that those of you travelling abroad do not experience too much travel chaos. I look forward to seeing you in September.

Best wishes
Mrs Wand
