

Dear Parents:

I can't believe that we are at the end of another term at Horsell Junior! 'Horsell Heroes' is an opportunity to celebrate the many successes of the children at school. We were delighted with the excellent SATS results achieved by our Year 6 pupils, which were well above national averages and demonstrate all of their hard work over the year. I am really proud of each and every one of them and am confident that they are well prepared for the next stage in their education.

It has been a privilege to hand out different awards to the children over the past few days and listen to how they have excelled in different aspects of the curriculum. Well done to all of our children for achieving their DOVE awards, which demonstrate the additional learning opportunities that they have had over the course of the year. Over the past twelve months I have also had the opportunity to celebrate a half termly 'value tea' with different children who have shown their commitment to living out our values during their time in and out of school. This has been one of the highlights of my year, and it was super to celebrate the last value tea on Friday afternoon, with a lovely group of children from across the school.

I hope that you all have a super holiday and take the time to rest and relax with your children and I look forward to welcoming you back to school in September.

Mrs Wand

LEAVERS FETE RAISES OVER £330

Each year, as part of their leavers' activities, our year 6 pupils run a fete for the other pupils at the school. Both the stall holders and their customers had a great time, and raised a wonderful £331.71 for their chosen charity, the Lighthouse.
