

YEAR 6 NEWSLETTER

May 2025

HALF TERMLY UPDATE

We are incredibly proud of all our children for the determination and effort they've shown during SATs week. Each and every child has approached the challenge with a positive mindset and a genuine desire to do their best. Their resilience, focus, and hard work have been inspiring to see, and we couldn't be prouder of how they've supported one another throughout. Alongside SATs, it's been wonderful to see the excitement building around our year 6 production. Many children have taken a brave step in auditioning, overcoming nerves and showing great confidence and enthusiasm—well done to all who have given it a go so far! More auditions will take place after half-term. Meanwhile, our budding authors have been putting the final touches on their writing portfolios, and the quality and creativity of their work is something to celebrate.

We wish you all a lovely half term break.

Mrs Page & the year 6 team

This half-term, Year 6 have enjoyed:

- ★ Putting all their hard work to use in SATs week.
- ★ Investigating electricity in Science.
- ★ Finding out about their y6 Production.
- ★ Exploring photography in Art.
- ★ A time of fun and laughter in Bournemouth.

PLEASE COLLECT.....

Next half-term, the children will need one empty cereal box each (this can be flattened) and an empty box approximately the size of a shoe box or small delivery box - the lid is not needed.

P.E. LESSONS NEXT HALF TERM:

Cherry: Wednesday and Thursday

Spruce: Tuesday and Wednesday

Willow: Wednesday and Friday

YEAR 6 PRODUCTION

"OLIVER - WITH A TWIST"

Within the first few weeks after half term, the children will be bringing home slips with information about costumes. We endeavour to make them as simple and manageable as possible We will send home pictures or references as guidance. If you have any queries, please let us know.

Thank you for your support.

NEXT HALF TERM:

TOPICS

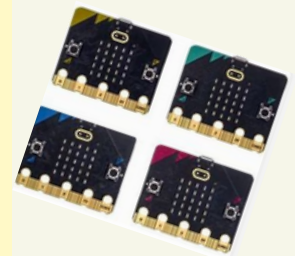

It is hard to believe that we are approaching year 6's final half-term with us! It is a half-term filled with production rehearsals, curriculum days, the Leavers' Fete, music workshops and activities to help them with their transition to secondary school. We will be continuing our wonderful writing with poetry and persuasive speeches - who will our future Greta Thunbergs be? Our maths work focuses on real-life topics: how tax is calculated; how mortgages are paid and how to run a small business. In our curriculum days, the children will have the opportunity to immerse themselves in a subject for a whole day: using microbits; designing and making a game using electricity and preparing their cookery work.

One of the highlights of the half-term will be the year 6 Production "Oliver - with a Twist". Everyone will be involved and they will have the opportunity to show their talents in the creative arts as well as backstage and crew roles. The children will then go straight in to organising their stalls for the eagerly anticipated Leavers' Fete which they will run for the rest of the school in the last full week of term.

We know that they are keen to get started and we cannot wait to see the results of their work before they move on to their new schools.
