

Horsell Junior School Clubs

Spring Term 2026

We expect a commitment from the children to attend regularly and they do need to have a genuine interest in the activity. Children who regularly do not participate in or disrupt the club may have their place withdrawn.

A register of children is kept as we are responsible for them until the end of the club. If your child is unable to attend a session, or wishes to withdraw from the club, please ensure that the school office or club is informed of this by their parent/carer in good time so we do not spend time searching for them.

Although we try to ensure the club runs each week, if it should be necessary to cancel the club due to sickness or other exceptional reasons, we will endeavour to give you as much notice as possible. Clubs that are run outdoors, especially those on the field, might also be cancelled due to inclement weather or if the pitch is not in suitable condition for play. We do not recommend relying on clubs as childcare.

When picking children up from after school clubs, please wait outside the blue gate (near the office). Children will be brought to the front of the school. Parents should not come into school grounds to watch clubs.
